Dear Senator Bingaman:

Enclosed herewith please find copies of a letter, resolution and summaries of comments and discussion transmitted to Assistant Secretary Carruthers which represent the position of the Pueblo of Laguna with regard to the PDEIS recently published by the EIS Task Force. The Task Force is led by the Bureau of Land Management (BLM) and the Bureau of Indian Affairs (BIA) in accordance with an inter-agency memorandum of understanding. Various delegations and representatives of the Pueblo have discussed this issue with you in the past and the Council now requests your assistance in obtaining the cooperation of the responsible federal agencies.
